

#### **4.70 CO-CURRICULAR AND ATHLETIC PROGRAMS**

The school shall offer an After School Activity/Athletic Program for students. The scope and variety may vary from year to year. Continuity will be encouraged in the major areas of extra-curricular activities (e.g. student publications, drama, sports, music, and community service.) Responsible adults will supervise the extra - curricular program.

The Board recognizes the advantages to be gained from student travel and participation in co-curricular and athletic programs. However, parents will be asked to bear some of the cost of major out of the country excursions.

The Director is authorized to make appropriate exceptions/modifications to permit the participation of scholarship students.
