

4.90 FIELD TRIPS AND EXCURSIONS

A field trip is an educational activity. Such trips are encouraged as long as they do not seriously interfere with the educational routine.

On all school-sponsored trips involving students, school employees will make provision for proper supervision and will be responsible to assure that parents are informed in writing a reasonable time before their children participate in a school-sponsored field trip.

Procedure:

1. It is intended for all students in the participating class(es).
2. It takes the class(es) away from the classroom.
3. It has identifiable objectives which are directly related to the curriculum.
4. It includes student preparation and reflection, or assessment.
