Activities will begin on Monday, March 26, so it is very important to return this form no later than Monday, March 12.

Please remember we do not have supervision on campus for students not involved in ASA after 3:30 p.m.; therefore **elementary students not registered in an ASA must be picked up at 3:30**. If you wish to play with your child on the campus after school, you are very welcome as long as you directly supervise your child. Children **MAY NOT** wait (3:30 to 4:30) on campus for a sibling to finish an activity unless they are either in an activity or you have arranged supervision for him/her. Your cooperation ensures a safe environment at our school!
