MISSION STATEMENT
Tashkent International School educates students to be internationally-minded, think creatively, reason critically and communicate effectively.

SCHOOL
Tashkent International School (TIS), an International Baccalaureate (IB) World School, is a not-for-profit, independent, co-educational day school governed by a board of directors elected from the parent community. Established in 1994, TIS serves the needs of a stable international population, including children of expatriate business people and children from the diplomatic community.

SCHOLARSHIP
TIS offers a high school scholarship program to academically talented local students who meet scholastic criteria and demonstrate financial need. Each spring, TIS receives up to 100 applicants competing for up to six full scholarships. Past TIS scholarship students have been accepted into top universities in the United States, Canada and Europe. All of these students have received significant financial aid packages.

CURRICULUM + PROGRAMS
TIS is approved to provide all three IB programmes - the Primary Years Programme for Preschool through Grade 5; the Middle Years Programme for Grades 6 through 10; and the Diploma Programme for Grades 11 and 12. In 2018-2019, more than 490 students are enrolled in Preschool through Grade 12, including more than 293 secondary students. The class of 2019 consists of 43 seniors; only three are native-English speakers.

Instruction at TIS is in English; courses include English, Mathematics, Science, Humanities, Physical Education, Technology and Fine Arts. English as a second language is available from grades 2 to 9. Russian is offered as a foreign language and at mother-tongue level. Other languages taught include French and Korean.

ACTIVITIES
There is a comprehensive after-school activities program that includes IB CAS (Creativity, Activity, Service), Model United Nations, student council, SAT/ACT and college preparation, student newspaper, music training, art, chess club, and sports such as track and field, basketball, soccer, volleyball and badminton.

IB DIPLOMA PROGRAMME
At TIS, 90 percent of all students in Grades 11 and 12 are enrolled in the IB Diploma Programme, a challenging pre-university program aimed at students ages 16 to 19. We are an inclusive IB program and all students are encouraged to enroll in the IB Diploma Programme. The IB Diploma Programme leads to a qualification that is widely recognized by the world's leading universities. To receive the IB Diploma, students must fulfill the following requirements:

- Enroll in three Higher Level courses and three Standard Level courses (or four HL and two SL courses) and achieve a score of at least 24 points. Each course is worth a possible seven points. Points are accumulated based on internal and external assessments completed throughout the two years of study, as well as the final IB examinations;
- Successfully complete Theory of Knowledge;
- Successfully complete a 4,000-word Extended Essay on a topic of their choice; and
- Achieve a balance of Creativity, Activity and Service (CAS) over 18 months.

IB SCALE
The TIS assessment system follows established IB criteria. Equivalence with the U.S. grading system is based on consultation with the IB and other leading international schools. Given the diversity of the student body and the transience of the international community, it is the policy of TIS not to rank its students.
