

### MYP Science with DP Physics

TIS is seeking an experienced teacher of DP Physics and general science. The ideal candidate will be a team player, willing to learn from others and guide those who are less experienced. Experience in the DP is essential and knowledge and experience of the MYP would be preferred. Our Science department is committed to hands-on, inquiry-based learning in Science and interdisciplinary approaches; they collaborate to design authentic learning experiences for students and our program is rich, challenging and well-equipped. If you think you can join a team like this and that you can make a positive difference to the team, we'd love to hear from you.

TIS teachers are expected to develop meaningful relationships with students, differentiate to meet all needs, co-construct knowledge and use assessment effectively to support learning and growth. Willingness to get fully involved in our co-school activities and athletics programme is also a given. Collaborative, dedicated, fun-loving, balanced and caring teachers thrive in our learning community. If this sounds like you, we would love to hear from you. Visit our website for instructions on how to apply: [www.tashschool.org/employment/](http://www.tashschool.org/employment/)

This position can be either 60% or 100% depending on the applicant.
