

### **Summary**

The primary role of the teacher is to inspire and empower growth in our students through an understanding and implementation of the Mission and Values of our School. They create a safe, positive, caring and inclusive environment for all members of our community. All Secondary teachers will join a grade level team as a homeroom teacher and will contribute regularly to extracurricular activities. All learning at TIS is guided by our Learning Principles.

### **TIS Learning Principles**

- Learning involves individual choice, autonomy and agency.
- Learning is a process of inquiry, feedback and reflection in authentic contexts.
- Learning is enhanced through individual and community relationships.
- Learning is enhanced in a physical environment that is safe, welcoming, adaptable and inspiring.
- Learning transcends disciplines.
- Learning is essential to the creation of a better world.
