TIS offers up to three full tuition high school scholarships to academically talented national students entering Grade 10 who meet the scholastic criteria and demonstrate financial need. Past TIS scholarship students have been accepted into top universities in the United States, Canada and Europe. All of these students have received significant financial aid packages.

IB Diploma Program (IBDP)

All students in Grade 11 and 12 are enrolled in IB Diploma courses and complete the final IB examinations and 90% of students are candidates for IB Diploma Program. The IBDP is a challenging pre-university program aimed at students age 16 to 19. The qualification is widely recognized by the world's leading universities.

To receive the IB Diploma, students must fulfill the following requirements:

- Enroll in three Higher Level (HL) courses and three Standard Level (SL) courses and achieve a score of at least 24 points. Each course is worth a possible seven points. Points are accumulated based on internal and external assessments completed throughout the two years of study, as well as the final IB examinations;
- Successfully complete Theory of Knowledge;
- Successfully complete a 4,000-word Extended Essay on a topic of their choice; and
- Achieve a balance of Creativity, Activity and Service (CAS).

Grading System & Transcript
